We will be hitting 88 miles per hour and breaking through the time barrier again with a *Back to the Future* mini-marathon, featuring films II and III. It kicks off at 6pm on Sunday 3 April at the Events Cinema George Street. Further details about this great event available online at www.backtothemovies.com.au.

Thank you to all the volunteers who made this event possible, and to everyone who gave generously on the night. We would also like to thank our sponsors and Ryan Shelton from Nova 96.9 for warming up the crowd.

Congratulations to Greg and Jenny on their engagement.
